## The Land

A lovely parcel of land extending to almost two acres with potential for a variety of uses. The land has been used by our clients for many years for horse grazing and whilst set up perfectly for equestrian use, the land is equally suited to alternative grazing, hobby farming, amenity space or conservation. The site comprises two field enclosures which are gently sloping in topography with a mixture of post and rail fencing and stone wall hedges complete with three vehicular gates onto the (tarmacked) public bridleway to the east. One of these gates opens into a large area of hard standing, providing ample space for the turning and parking of vehicles/trailers etc. and set on which are two shipping containers – previously used as tack and feed rooms – and a touring caravan, all of which are included in the sale.

## Stables & Shelters

A timber stable block (35'8" x 12' / 10.8m x 3.66m) offers two stables at either side of a covered centre and the whole is fitted with rubber matting. To the side of the stables are two shelters/additional stables (22' x 8'4" / 6.7m x 2.55m and 8' x 7'10" / 2.44m x 2.38m) ideal for smaller ponies or as use for hay stores and the like. Also set within the site is a field shelter (11'3" x 11' / 3.43m x 3.36m) with stable door.

Newbridge is less than 2 miles distant and offers a public house, whilst Penzance is within 5 miles and offers a whole range of everyday amenities and facilities as well as a mainline railway link to London (Paddington).
