Location

The land is located on the southern fringe of Gulval, a village on the outskirts of Penzance. It is a relatively quiet setting only a short walk from the village. Penzance town with its wide and varied range of amenities including a mainline railway station is about 3 miles away, whilst closer to hand is the seafront and the A30.

The Land

The field lies adjacent to land including in the 2012/2015 SHLASS (Site Reference S196A) and that is currently being considered for inclusion in the subsequent HELAA. Therefore, this could be regarded as potential future development land. It slopes gently and has Cornish hedge boundaries. The owner will be clearing a currently overgrown access on to the Council Road but it should be noted that the contract of sale will make it the new owners responsibility to block up the existing gateway between this and the neighbouring field to the south-east.

Services: No services are connected to the site. Interested parties are advised to make their own enquiries to the relevant service providers.

Wayleaves, Easements & Rights of Way: The sale will be subject to and with the benefit of all wayleaves, easements and rights of way as may exist.

Particulars & Plan: Whilst every care is taken in the preparation of these particulars, their accuracy is not guaranteed and they do not constitute any part of an offer or contract. Any intending purchaser/s must satisfy themselves by inspection or otherwise as to the correctness of these particulars.

Viewing: Viewers may access the land for viewing purposes with sale particulars in hand, during daylight hours adhering to the Countryside Code. Please notify the agents Lodge & Thomas of your intended visit. Tel: 01872 272722 Email: property@lodgeandthomas.co.uk
