The land enjoys several gated entrances off the highway, and is bounded by traditional Cornish Hedge banks.

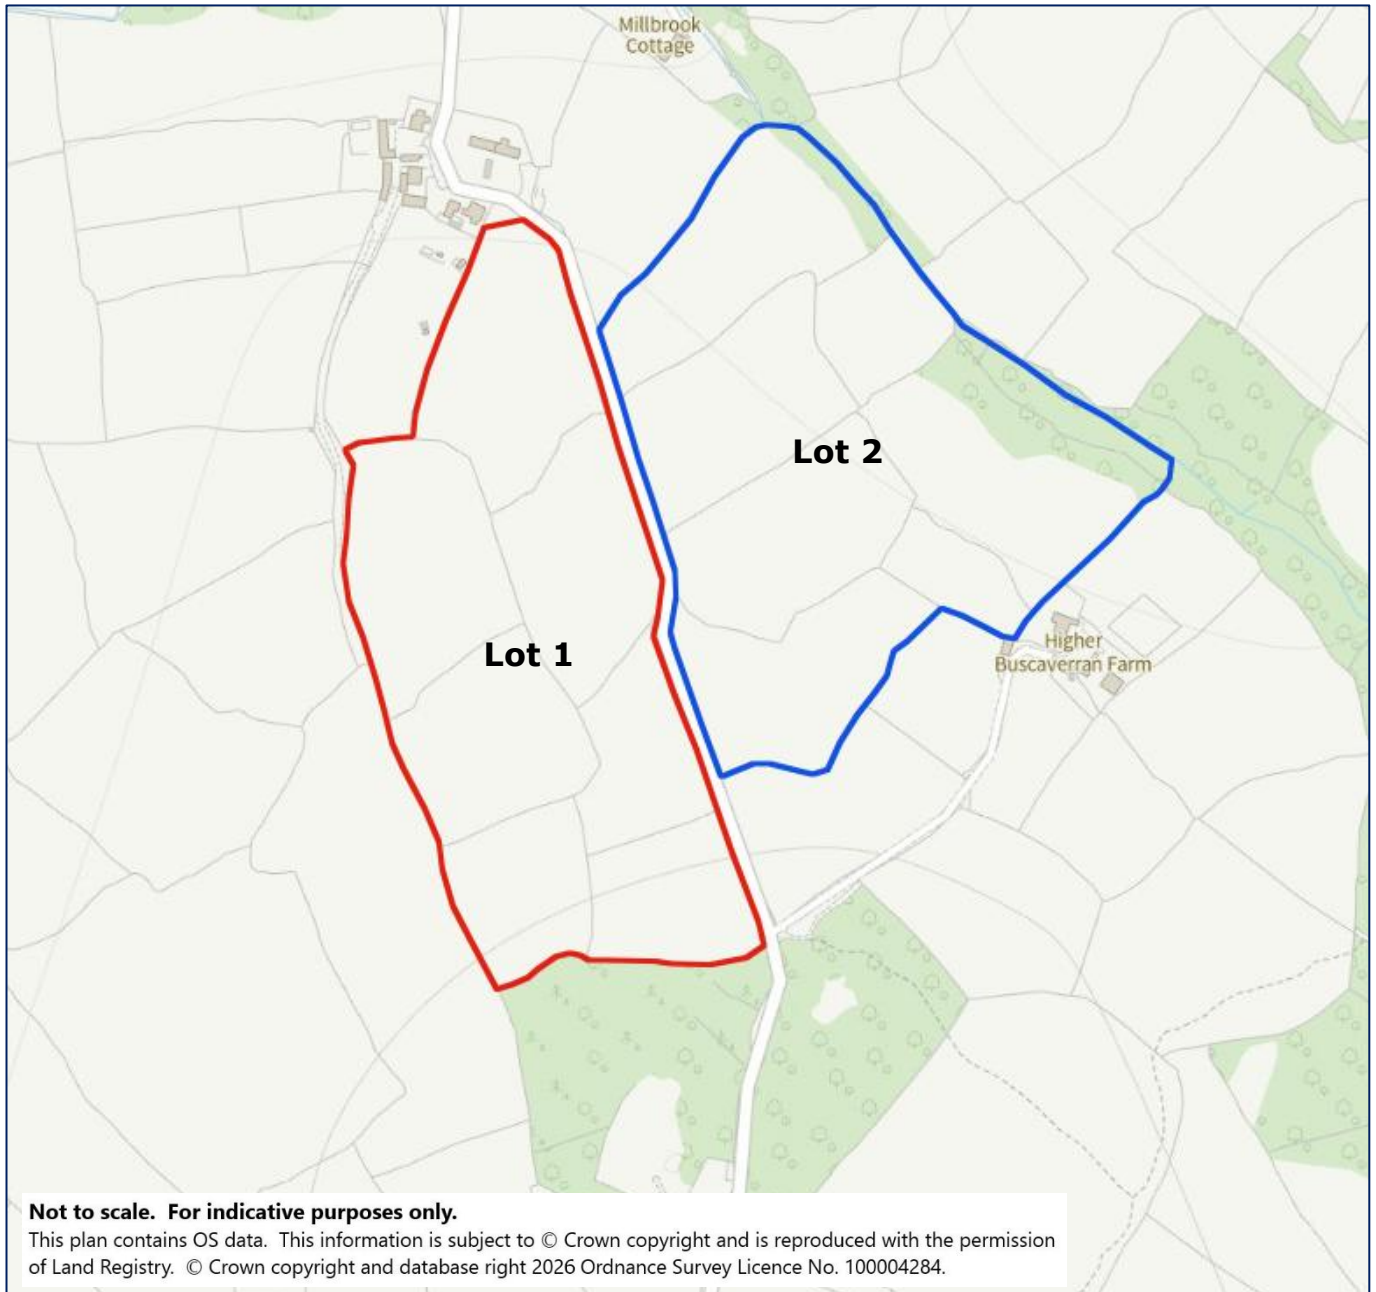

### Wayleaves, Easements & Rights of Way

The sale will be subject to and with the benefit of all wayleaves, easements and rights of way as may exist. The Four Burrow Hunt has a license to hunt the land during the season.

### Agents Note

Lot 1 has the benefit of a private water from a spring supply. A new pump has been installed and tested, but the electricity supply has been disconnected. The buyers will be responsible for arranging a new connection with a service provider. The private water supply has historically provided water to a neighbour's field, if this was to continue, the buyers will be responsible to agreeing terms with the land occupier if a water supply was to be utilized. The pump house is shared with two neighbouring properties; the buyer will be responsible for contributing towards maintenance of the building. None of these services have been tested and therefore no guarantees can be given. Interested parties are advised to make their own enquiries to the relevant service providers.
