The Land

The land comprises two field enclosures, both in grass with live-growth and earth bank boundaries, extending to 9.73 acres in all or thereabouts.

The land is gently sloping in topography and enjoys tremendous, far reaching views over the Poldice Valley which is nearby and offers tremendous off road riding, walking and cycling opportunities on the doorstep.

The land benefits a wide, gated vehicular entrance from the roadway and this opens into a large area of hardstanding, together with materials included in the sale – ideal for the parking of vehicles, trailers etc and which could be utilised as a base for stabling/an outbuilding (subject to consent).

N.B. There is an area of untreated Japanese knotweed on the site.

Services

Mains water is connected but is likely to require a sub-meter. Mains electricity is understood to be nearby. None of these services have been tested and therefore no guarantees can be given. Interested parties are advised to make their own enquiries to the relevant service providers.

Wayleaves, Easements & Rights of Way

The sale will be subject to and with the benefit of all wayleaves and easements as may exist. No public rights of way cross the land being offered for sale.
